INFORMATION DISCLOSURE STATEMENT
AND CERTIFICATION UNDER 37 C.F.R. 1.98(e)

Dear Sir:

Submitted herewith are references as listed on the attached form PTO-1449. Also enclosed is a copy of the International Search Report that cites these references. The undersigned certifies that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

Consideration of these references by the examiner is respectfully requested. It is noted that where applicable both the cited European document not in English and the corresponding United States patent are also provided. Also in the case of European Patent Application 0 236 069 only the corresponding United States patent has been provided (U.S. Patent No. 5,333,675).

Respectfully submitted,

David Aker
